

## Inside Sales Representative

We have an excellent opportunity to join our growing team as an Inside Sales Representative.

**Continuant** is a growing and dynamic telecommunications company and a leading provider of business to business telephone system maintenance and installation nationwide. We have built a solid reputation based on superior service delivered by legendary employees. To learn more about us and to see what our customers are saying visit [www.continuant.com](http://www.continuant.com).

**The Inside Sales Representative** will prospect new customers to generate qualified leads by phone, email and direct mail. He/She will identify and reach key decision makers and develop positive relationships with potential clients.

**About the ideal candidate:** You are driven to succeed as an individual and as a member of a team. You have a strong work ethic; are analytical and self-motivated. You are a career minded and goal oriented individual. You are well groomed and maintain a high degree of professionalism.

If you are professional, confident and self-driven and want a successful career with a growing and dynamic company email your resume with cover letter to Sally Jordan at [careers@continuant.com](mailto:careers@continuant.com).

We offer a competitive salary + bonus and an excellent benefit package to include Vacation, Personal Days, Paid Holiday, Medical, Dental and 401K Plans.
